Philadelphia born, Chicago raised. I relocated to "The Mitten" to become the third generation of out-of-state Spartans in my family, where I'm studying professional writing with a minor in educational studies. In addition, I'm a third generation Spartan Greek (my sorority is Alpha Omicron Pi). I am also a figure skater, yoga enthusiast, and occasional runner with dreams to run off to the big city and write for a living - except I'm already from a very large city, so I guess I just want to write for a living.

I also love to cook, and if writing doesn't work out, there's always chef school in my mind. My specialties are mainly Italian food (I'm half Italian), but I am always up for a new challenge! I'm an avid traveler, in fact, that picture was taken on my first trip to Cuba. To sum it up, I'm a healthy, writing, traveling Spartan foodie.
